

Measurements.....5.36 - 5.38 x 3.39 mm

Cut Grade.....Excellent

Inscription(s): GIA 2457614741

Figure 1 is a 3D pie chart illustrating the distribution of diamond thicknesses. The chart is divided into three main sections: 'medium' (36.0%), 'slightly thick (faceted)' (41.2%), and '3.5%' (3.5%). The 'medium' section is further divided into '50%' and '56%'. The 'slightly thick (faceted)' section is divided into '16.0%' and '63.1%'. The '3.5%' section is divided into '80%' and '43.5%'. The 'none' category is also indicated.
