## LABORATORY GROWN DIAMOND REPORT

|                         |                          |
|-------------------------|--------------------------|
| August 20, 2025         |                          |
| IGI Report Number       | LG728585366              |
| Description             | LABORATORY GROWN DIAMOND |
| Shape and Cutting Style | PEAR BRILLIANT           |
| Measurements            | 12.75 X 8.09 X 5.08 MM   |

## GRADING RESULTS

|               |             |
|---------------|-------------|
| Carat Weight  | 3.05 CARATS |
| Color Grade   | G           |
| Clarity Grade | VS 1        |

### ADDITIONAL GRADING INFORMATION

|                |                                                                                               |
|----------------|-----------------------------------------------------------------------------------------------|
| Polish         | EXCELLENT                                                                                     |
| Symmetry       | EXCELLENT                                                                                     |
| Fluorescence   | NONE                                                                                          |
